

# EXAMPLES OF VISA INTERVIEW QUESTIONS

## WHAT MAJOR DEGREE WILL YOU BE STUDYING IN THE USA.

Make sure you say the exact information that is written on your I20. What ever degree the I20 has written on it, you will have to say the same in the interview.

E..G. You might be studying Physiology but the I20 has Biology on it. You will be studying Physiology but the course is taught under the Biology department.

## WHAT DO YOU PLANTO DO AFTER YOUR TWO/FOUR YEARS?

The US embassy want to make sure you don't over stay your welcome in the USA and stay behind your visa duration. It's always best to say that you will be returning back to the UK after graduating. E.G. I plan to either return home or move to a 4 year university to finish off my degree in Physiology. After I have finished my education I will be returning back to the UK to continue playing with (Name football club) and to fulfil another dream of coaching with Derby County.

## WHY DID YOU CHOOSE THE UNIVERSITY YOU ARE GOING TO?

Even though you are on a sports scholarship, the US embassy want to make sure that the academics play a big part in the reason you're wanting to go to university in the US.

E.G. I choose the university because of the great education department it offers and it will enable me to live a life long dream of studying in the US. I love the way the system works and am excited that it will allow me to develop as a person. I will also be representing the soccer team which is another great passion of mine.

## WHY ARE YOU STUDYING YOUR DEGREE?

The reason they ask this is because they want to make sure you are entering the USA to study and not for any other reasons. This shows that you have thought carefully about the subject field you are going into.

## WHY DO YOU WANT TO COME TO THE USA?

I believe it's a once in a life time opportunity. The university has a great education program and offers the exact the course I want to study.

## WHO WILL BE FINANCING YOUR EDUCATION IN THE USA?

The US government want to make sure you can afford to support yourself while studying in the USA They will check your parents bank statements!

### MAKE SURE:

- You answer all the questions fully
- Be confident
- Make sure you're the ONLY one that answers the questions.
- Learn everything
- Be passionate about your education and that this is a once in a lifetime experience.
- Speak clearly and engage the interviewer
- Have all of the correct documentation.

*'Fimilarise yourself with all of the information that has been provided. Be sure to discuss this with your Future Elite agent prior to your Visa appointment.'*

*'These are just examples that will give you a framework to your answers. Feel free to add what you want and make it more relevant to you.'*
